I looked for what was incorporated as my email address and it was shantanupanigrahi@yahoo.com. There was an option of verifying the email address, and I pressed the tab twice by mistake.

Hello, I'm Dean!

I'd love to contribute an article to your site on how a Real-Time Customer Data Platform (CDP) can seamlessly integrate with existing systems and data sources. This article will explore the benefits of CDP integration, outline the steps to connect a CDP with current infrastructures, and offer insights to boost customer engagement and enhance marketing strategies.

If this sounds interesting, I'd be happy to get started on writing the piece. Just let me know if you have any specific guidelines or preferences!

Looking forward to your thoughts!

Best,

Dean Burgess

Check out my website: <https://excitepreneur.net/>

P.S. If there's a particular topic you'd like me to focus on for an article, feel free to let me know, and I'd be happy to tailor it to your interests. Alternatively, if you'd prefer not to receive any more emails from me, just respond, and I'll respect your preference.

Comments:

Deleted it for the reason that I have a £300 million Claim in Medway County Court that has to issue some kind of communication on the Claim Form and Particulars submitted today with clarity, I can only respond to official emails that do not end up in the Spam folder as these are deliberately sent there to get me to reply thereby prejudicing my Claim for damages and compensation on the entire a-z of the charge sheet. And the Medway County Court is not obliged to issue Summary Judgment or Full Written reasons as to why the Summary Judgment is denied to me up to the deadline of 30 December 2024. The email sent to Stripe, Kent Police and Medway County Court freezes prevarications from the Respondent until 29 December 2024, which is why Stripe has allowed the deposition of the link to stand for the time being. Once I go beyond 30 December 2024 and no Summary Judgment nor Full Written Reasons for not providing it is evident it will be proof that the Court authorities are not interested in disbursing justice to a commoner challenging the State authorities in my case Kent Police and by extension the Prime Minister of the United Kingdom, as was already the case with the E35YM660 proceedings at the Central London County Court where I was asked to pay the Defendant's (Cabinet Office) costs of £4170; and its Appeal at the Court of Appeal under CA-2023-000750, but kept secret from the public which was not acknowledged at the final stage. Similarly the first

case that I lodged at the then Queens Bench of the High Court under HQ17X01773 was struck out by Master Eastman without a Defence being filed by Kent Police the Defendant sitting on his own and its Appeal was not permitted. This time there is no escape for the State authorities for it was on the invitation of Medway County Court that J00ME572 was turned from an Injunction application against the Chief Constable of Kent Police to one of a Money Claim proceedings as well that then was instituted by me at the cost of £332 in Court Fee. This £332 is entered in the 17 December 2024 Claim Form against Kent Police without the injunction but it is implicitly still under J00ME572 Case progression. And it revives the Case lodged also against the Prime Minister by extension in the Brief details of Claim in the 17 December Claim Form.

So I must wait for the deadline of 30 December to pass by without taking any action whatsoever by email correspondence with anyone.

There is no law in the United Kingdom on these matters, one fights and gets what one can get. The Police is not acknowledging my email, none of the Courts never acknowledged the vast majority of my emails and when they did they were not palatable towards my needs for justice. That is why the Monarchists are so powerful that they can manipulate every institution through a surveillance society using people as moronic tools in their machinery protected by the State. The Police and the Courts might as well be described as part of the Monarchical State machinery, for no Prime Minister of Cabinet would have given the orders to persecute me as I have been persecuted over the past 26 years. The have watched silently as if nothing has ever happened. This applies to the House of Commons Petition Committee covering up from orders from the Monarchical State machinery to water down my petition to an inconsequential one that is barely of any use even if it got the required signatures and it is stuck on 57 so going nowhere.

To force these truths out in the open I now do nothing just use this line of arguments in any Defence that I may need to file to charges that may be considered as threatened for so long on me.

Hello there,

Thank you for taking the time to reach out to us. I understand your position concerning your account. Allow me to share some updates with you.

After an internal validation, I noticed that you have an ongoing conversation with another specialist about your payouts. Specifically, in case reference: 18550523. That's why, to centralize communications, I'll let them know you reached out and they should get back to you with additional information.

We appreciate your patience. For the time being, you are more than welcome to message back if you have other Stripe related inquiries.

Best,

Alice

Terms and Conditions

By participating in PayPal's Reward Programme (the "Programme"), you agree to the following
terms and conditions ("Terms").

1. Offer Period: The Programme starts at 12:00:01 a.m., Greenwich Mean Time ("GMT") on 12
December 2024 and ends at 11:59:59 p.m. Greenwich Mean Time ("GMT") on 15 January 2025
or until 90,000 Rewards have been rewarded, whichever happens first (the "Offer Period").

2. Redemption Period: Reward (as defined below) will expire 30 (thirty) calendar days after the
date the Reward is made available in the Eligible Participant's Valid Account.

3. Eligible Participant: To be an eligible participant (an "Eligible Participant"), each participant
must: (1) be eighteen (18) years of age or older; (2) be a resident in the United Kingdom; (3) have
a United Kingdom personal PayPal account in good standing (a "Valid Account") during the Offer

Period and Redemption Period and (4) receive an authorised invitation to participate in the Programme (“Invitation”) (eligibility for those who receive the Invitation will be determined solely by PayPal); and (5) download the PayPal app and log in. The Programme is limited to the first 90,000 Eligible Participants who successfully claim the Reward on a first-come, first-served basis. For the purposes of this paragraph, “good standing” shall mean the Eligible Participant is not in breach of the Terms and the User Agreement, and will continue to comply with the Terms and the User Agreement for the duration of the Programme.

4. How it Works: To qualify for a Reward, Eligible Participants who receive an Invitation to participate must successfully complete the following during the Offer Period:

- a. Download the PayPal app; and
- b. Once the PayPal app is downloaded, Eligible Participants must log in to their Valid Account on the PayPal app.

5. Reward: The Reward amount is £5.00 GBP (five pounds) (the “Reward”). Once the steps described above are completed and verified, the Reward will be made available in the Eligible Participant’s Valid Account within approximately 14 (fourteen) days after verification of Eligible Purchases but may be available sooner. Eligible Participants will also receive an email informing them when the Reward is available in their Valid Account. During the Offer Period, there is a limit of 1 (one) Reward per Valid Account. Reward will expire 30 (thirty) calendar days after the date that the Eligible Participant receives the Reward in their Valid Account. There is a max of 90,000 Rewards available. Use of the Reward will be reflected on the Eligible Participant’s PayPal receipt and/or in the transaction details of their Valid Account. The Reward does not constitute electronic money, is not deemed part of your PayPal balance, has no cash value and cannot be redeemed for cash, used to purchase gift cards or transferred out of the Eligible Participant’s Valid Account. The Reward is separate and different to PayPal balance. Should the total purchase amount exceed the Reward value, then you must add a payment method to your Valid Account in order to fund any remaining balance and redeem the Reward.

6. Receiving and using Rewards: A Valid Account must remain in good standing from the time of participation through Reward fulfilment, as reasonably determined in PayPal’s reasonable discretion. Subject to giving reasonable notice to the relevant Eligible Participant where possible, PayPal may provide an alternate Reward of equal value if it is unable for any reason to fulfil the Reward. PayPal reserves the right to limit, cancel, suspend or modify this Programme in part or in its entirety at any time. If we do so, we will provide you with reasonable notice. PayPal reserves the right to review any account or transaction related to this Programme, for any reasonable cause and delay completion of the Reward. Before delaying or cancelling the Reward, PayPal will give the Eligible Participant reasonable prior notice, where possible and practicable, and the possibility to object to the decision. If item(s) purchased using a Reward are returned and the Reward has expired, PayPal will first refund the money spent to the payment method used to complete the Eligible Reward Purchase and purchase amount in excess of the money spent (i.e. the value of the Reward) will not be refunded. If the Redemption Period has not expired, the value of the Reward will be returned to the Offers section of the Valid Account and will be available for use by the Eligible Participant up until the Redemption Period. Similar offers may run at the same time; qualification for this Programme does not constitute qualification for any other offer. PayPal is not responsible and/or liable if any e-mail, Reward, purchase, referral or Programme-related materials or correspondence are lost, fraudulent, stolen, late, incomplete, illegible, interrupted, delayed, altered, defective, misdirected, tampered with, or irregular in any way or if any Eligible Participant’s e-mail address, Valid Account, or other contact information does not work, is deleted, or is changed without participant giving prior written notice to PayPal. The Programme is void where prohibited or if the

Eligible Participant's account or transactions are fraudulent, abusive, not completed through legitimate channels, or irregular in any way. Certain offers may not be transferable. Participants may access a copy of PayPal's privacy policy available [here](#) or contact PayPal if they have questions or requests about the exercise of their rights, privacy and data protection. Any questions relating to the offer will be resolved in PayPal's reasonable discretion and its decisions related to the offer will be final and binding.

7. Governing law and jurisdiction: These Terms are governed by the laws of England and Wales. By participating in the Programme, Eligible Participants agree to be bound by these Terms and the User Agreement. The courts of England shall have non-exclusive jurisdiction to settle any dispute or claim arising out of or in connection with these Terms. This does not limit your rights under mandatory statutory consumer protection regulations and for you to bring proceedings before the courts of the place where you are domiciled.

8. Comment:

I cannot remember ever ordering Norton antivirus protection for our Acer desktop computer (believing that we only got McAfee software for this) since it was returned to us by Kent Police in the spring of this year and after we had got it repaired, but did not wish to contact the Company Norton to find out about it; and I am most certainly not going to do so now with the 30th deadline over the weekend for the Court decision.

14.27 pm (UK-Time) 27 December 2024

Posted the email and my Comment in Daily Bulletin for Kent Police and Medway County Court to consider under Case J00ME572:

<https://www.knowledgeassessmentanddissemination.com/post/time-to-explore-new-features>

14.38 pm (UK-Time) 27 December 2024:

Comments:

The Forum post <https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/in-the-final-analysis-as-the-deadline-for-resolution-approaches> is now tidied up as follows: for its Comments section:

‘I deleted it for the reason that I have a £300 million Claim in Medway County Court that has to issue some kind of communication on the Claim Form and Particulars submitted yesterday; with clarity. I can only respond to official emails that do not end up in the Spam folder as these are deliberately sent there to get me to reply thereby prejudicing my Claim for damages and compensation on the entire a-z of the chargesheet. And the Medway County Court is not obliged to issue Summary Judgment or Full Written reasons as to why the Summary Judgment is denied to me up to the deadline of 30 December 2024. The email sent to Stripe, Kent Police and Medway County Court freezes prevarications from the Respondent until 29 December 2024, which is why Stripe has allowed the deposition of the link (<https://www.theconservativelibertariansociety.com/post/stripe-bank-has-approved-the-religious-charitable-status-of-the-conservative-libertarian-society>) to stand for the time being. Once I go beyond 30 December 2024 and in case of no Summary Judgment nor Full Written Reasons for not providing it as evident that will be proof that the Court authorities are not interested in disbursing justice to a commoner challenging the State authorities in my case Kent Police and by extension the Prime Minister of the United Kingdom, as was already the case with the E35YM660 proceedings at the Central London County Court where I was asked to pay the Defendant’s (Cabinet Office) costs of £4170; and its Appeal at the Court of Appeal under CA-2023-000750 at the final stage being rejected with blocking of the proactive Claimant/Appellant’s submissions; but the underlying reality that the United Kingdom is a Police State kept secret from the public by non-acknowledgment of litigation and private prosecutions communications undertaken. Similarly the first case that I lodged at the then Queens Bench Division of the High Court under HQ17X01773 was struck out by Master Eastman without a Defence being filed by Kent Police as the Defendant; with Master Eastman sitting on his own: and its Appeal was not permitted. This time there is no escape for the State authorities for it was on the invitation of Medway County Court that J00ME572 was turned from an Injunction application against the Chief Constable of Kent Police to one proceedings that included the diverted HQ17X01773 Money Claim case as well which was then instituted by me at the cost of £332 in Court Fee. This £332 was consequently entered in the 17 December 2024 Claim Form against Kent Police without another unchanged Injunction all implicitly still under continuing J00ME572 Case Progression. And it also revives the Case E35YM660 lodged against the Prime

Minister by virtue of the stated extension of this liability in the Brief details of Claim in the 17 December Claim Form.

So I must wait for the deadline of 30 December 2024 to pass by without taking any action whatsoever by email correspondence with anyone.'

Hi Shantanu,

Thank you for your message.

The terms you've mentioned can potentially be optimized for search engines, but creating a strategy to rank highly for specific keywords or phrases is best addressed with an SEO specialist. Dear Stipe

Yes, I am still interested.

I do not know what 'SEPA' stands for: it seems to be a technical term and as you know I am only involved in Religious and Social Works through the Conservative Libertarian Society with its parent The Conservative Libertarian Publications Limited that handles all our financial dealings; and further I operate our Stripe Account from my shantanupanigrahi@yahoo.com email address where organisation is listed as having been verified, and with that email address.

If Stripe wishes this to revert back to the previous Shanpanigrahi3000@gmail.com Email address for our Stripe Account, I do not have any problem with that and will do what you require of me for which please feel free to browse and consider consulting the two websites that have been established for our Religious and Social Works at:

Update:

With no emails coming from Stripe or from Medway County Court by 9.35 am albeit today is a Saturday, enforced proceedings after seeing in my Stripe Account that there was no scope to raise a dispute internally, by publishing the email sent to Medway County Court: I do not live in uncertainty going forwards.

Went into Brilliant Directories Admin and into my Account where I checked the Payment Gateway and selected Stripe. It wanted me to login: I entered my login email address as shantanupanigrahi@yahoo.com. It said an Account already exists with that email address Sign into that account or create a new account. I signed into the existing shantanupanigrahi@yahoo.com account and it took me to the existing Stripe Account of The Conservative Libertarian Publications Limited I looked into the Profile and noted that it had the shantanupanigrahi@yahoo.com email address already there.

The Allurement of Reality is a neutral website and is part of the religious works that comes from satya-advaita yoga that eventually leads to the religion of Visihsta Advaita, so I will only publish materials in this 'neutral' website from now on.

Hi Shantanu,

Thanks for keeping in contact. I understand your inquiries regarding which email to use in order to authenticate yourself. Let me provide you with information regarding it.

In this case, it would work if you could authenticate yourself using the email sh(redacted)@ya(redacted).com in order to continue with the verification process. Furthermore, you can use the following link in order to authenticate yourself:

https://dashboard.stripe.com/confirm_support?t=IrA6dvgUbDC7k02hCihXkfdGDLxXHnqL

On the other hand, you can navigate to the URL below, login and resend your email to us using the form there:

<https://support.stripe.com/contact/login>

We have to take this extra authentication step in order to protect your security and privacy.

Let me know if any other inquiries come to mind.

Sincerely,

Sara

Update:

Deleted the email from my Yahoo Account so that my post in the Forum (<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/matter-seems-to-have-resolved-itself-j00me5722>) is the only relevant synopsis that should be under consideration of Stripe, Kent Police and the Medway County Court. Stripe in effect has said that the matter is on hold by returning to this email correspondence: I cannot go and check the verification status of the Company. Stripe has to submit this correspondence to Kent Police or the Medway County Court for consideration.

Comments:

I cannot reply to this either: for LinkedIn and its 2500 connections of mine are evidence of systematic organised terrorism on me that this included in the Particulars of damages and compensation that is part of the 17 December 2024 Claim Form, no matter how long the Court takes to consider the matter, before close of play on Monday the 30th of December as I had asked for when I set this deadline and then followed it up today with immediate 'Summary Judgment, or longer depending on whether a commoner can challenge the State authorities in the institutions of Kent Police and the Prime Minister.

Besides now that I know that my Case at Stripe is back on hold I cannot advertise the three narrowed down websites and just carry on as normal. Be satisfied that I tried my best but the

Monarch blocked my progression of The Conservative Libertarian Publications Limited evidently also.

Dear Stripe

I understand that even though these verification records show that the Conservative Libertarian Publications Limited's Account at Stripe is verified, it is in some non-descript manner kept on hold while I reply to an email that I know not what it is about because I did not receive it or it has gone misplaced. Some miscreants in official circles have been playing mischief over my correspondence as I seem to have copied you into the attached email:
ToDeaninfo@excitepreneur.netcc Stripe account(Thanks for your article on Religious and Social works)27Dec2024.docx

My hunch is that the Monarch has organised this prevarication today to destroy what I have built over the past 4 years in the Conservative Libertarian Society with its devotion to God.

If this is a misplaced notion that I am harbouring kindly let me know which email you were referring to when you asked me to reply to it so that I can provide the missing data to keep the record straight.

Thank you for your kind attention

Yours sincerely

Hello, I'm Dean!

I'd love to contribute an article to your site on how a Real-Time Customer Data Platform (CDP) can seamlessly integrate with existing systems and data sources. This article will explore the benefits of CDP integration, outline the steps to connect a CDP with current infrastructures, and offer insights to boost customer engagement and enhance marketing strategies.

If this sounds interesting, I'd be happy to get started on writing the piece. Just let me know if you have any specific guidelines or preferences!

Looking forward to your thoughts!

Best,

Dean Burgess

Check out my website: <https://excitepreneur.net/>

P.S. If there's a particular topic you'd like me to focus on for an article, feel free to let me know, and I'd be happy to tailor it to your interests. Alternatively, if you'd prefer not to receive any more emails from me, just respond, and I'll respect your preference.

Comments:

I deleted it for the reason that I have a £300 million Claim in Medway County Court that has to issue some kind of communication on the Claim Form and Particulars submitted yesterday; with clarity. I can only respond to official emails that do not end up in the Spam folder as these are deliberately sent there to get me to reply thereby prejudicing my Claim for damages and compensation on the entire a-z of the chargesheet. And the Medway County Court is not obliged to issue Summary Judgment or Full Written reasons as to why the Summary Judgment is denied to me up to the deadline of 30 December 2024. The email sent to Stripe, Kent Police and Medway County Court freezes prevarications from the Respondent until 29 December 2024, which is why Stripe has allowed the deposition of the link (<https://www.theconservativelibertariansociety.com/post/stripe-bank-has-approved-the-religious-charitable-status-of-the-conservative-libertarian-society>) to stand for the time being. Once I go beyond 30 December 2024 and in case of no Summary Judgment nor Full Written Reasons for not providing it as evident that will be proof that the Court authorities are not interested in disbursing justice to a commoner challenging the State authorities in my case Kent Police and by extension the Prime Minister of the United Kingdom, as was already the case with the E35YM660 proceedings at the Central London County Court where I was asked to pay the Defendant's (Cabinet Office) costs of £4170; and its Appeal at the Court of Appeal under CA-2023-000750 at the final stage being rejected with blocking of the proactive Claimant/Appellant's submissions; but the underlying reality that the United Kingdom is a Police State kept secret from the public by non-acknowledgment of litigation and private prosecutions communications undertaken. Similarly the first case that I lodged at the then Queens Bench Division of the High Court under HQ17X01773 was struck out by Master Eastman without a Defence being filed by Kent Police as the Defendant; with Master Eastman sitting on his own: and its Appeal was not permitted. This time there is no escape for the State authorities for it was on the invitation of Medway County Court that J00ME572 was turned from an Injunction application against the Chief Constable of Kent Police to one proceedings that included the diverted HQ17X01773 Money Claim case as well which was then instituted by me at the cost of £332 in Court Fee. This £332 was consequently entered in the 17 December 2024 Claim Form against Kent Police without another unchanged Injunction all implicitly still under continuing J00ME572 Case Progression. And it also revives the Case E35YM660 lodged against the Prime Minister by virtue of the stated extension of this liability in the Brief details of Claim in the 17 December Claim Form.

So I must wait for the deadline of 30 December 2024 to pass by without taking any action whatsoever by email correspondence with anyone.

Dear Sir/Madam

At 16.40 pm on this Saturday, I checked the verification status of The Conservative Libertarian Publications Limited in Stripe by external signing in, shantanupanigrahi@yahoo.com was already the agreed email address from which Stripe and me conduct our business with:

I read under my Stripe Account:

Great! Don't forget that you can come back here for support 24/7.

This is the proof that I needed that we are up and running as a company conducting only Religious and social works as having been approved.

If Stripe and Medway County Court accept this status quo, there is no need for any proceedings in the Court from the litigant's viewpoint; and I can now go-ahead with my work to the narrowed down three websites, as follows:

Your Honour

Stripe Bank has not specified any alternative arrangements for our business association thereby accepting the status quo as shown below.

I am happy with that for at long last the Conservative Libertarian Publications Limited has its goals clearly identified by the State authorities in terms of what we can do and what we cannot do in our work. This was of the greatest importance to me; for as Kent Police know, in developing my ideas, objectives and plans, I have sought the legal clearance always from the Constabulary and the Courts and appropriately by bringing these to the attention of Stripe Bank to keep to the necessary due process as linked here:

<https://www.knowledgeassessmentanddissemination.com/post/dispute-check-in-stripe-account-28-december-2024>

So unless Kent Police or Your Honour have something that is not right still kindly let me know so that Stripe Bank and us can tidy up the loose ends.

Your Honour

Stripe Bank has not specified any alternative arrangements for our business association thereby accepting the status quo as shown below.

I am happy with that for at long last the Conservative Libertarian Publications Limited has its goals clearly identified by the State authorities in terms of what we can do and what we cannot do in our work. This was of the greatest importance to me; for as Kent Police knows, in developing my ideas, objectives and plans, I have sought the legal clearance always from the Constabulary and the Courts and appropriately by bringing these to the attention of Stripe Bank to keep to the necessary due process as linked here:

<https://www.knowledgeassessmentanddissemination.com/post/dispute-check-in-stripe-account-28-december-2024>

So unless Kent Police or Your Honour have something that is not right still kindly let me know so that Stripe Bank and us can tidy up the loose ends.

Yours sincerely

This is the proof that I needed that we are up and running as a company conducting only Religious and social works as having been approved.

If Stripe and Medway County Court accept this status quo, there is no need for any proceedings in the Court from the litigant's viewpoint; and I can now go-ahead with my work to the narrowed down three websites, as follows:

<https://knowledgefoundersunited.com/>

<https://app.joinit.com/o/vishista-advaita-sampradaya>

If the Court or Stripe has any alternative requirements, please let me know.
